		Gender equality	<ul style="list-style-type: none">- Increase affordable access to electricity grid in population and production centers, including women¹⁹- Strengthen women’ participation in income generating and employment opportunities in agriculture, fisheries and MSMEs and formal sector²⁰	(USD/KWH, disaggregated by residential customer rate, commercial customer rate; by county) <ul style="list-style-type: none">- Electrification rate: Number of urban and rural households with electricity installations (disaggregated by low-income households, other residential households; national grid and off-grid solutions; by county)		
PEOPLE	1.3 Implement nationally appropriate social protection systems and measures for all, including floors, and by 2030 achieve substantial coverage of the poor and the vulnerable	Social protection	<ul style="list-style-type: none">- Protect the poor and most vulnerable households and groups from poverty, deprivation and hunger, support them in attaining a minimum standard of living²¹- Improve livelihoods and increase employment readiness of extreme poor, youth and vulnerable households through increased opportunities for income generation and employment²²	<ul style="list-style-type: none">- Proportion of vulnerable households receiving social transfers (disaggregated by men/ women-headed households, child-headed households)- Percentage of vulnerable households accessing social services- Unemployment and informal employment	MOFDP MOGD MOHSW MOE MOYS	
		Disabled	<ul style="list-style-type: none">- Improved access by PWD to basic social services and skill development²³	<ul style="list-style-type: none">- Unemployment and informal employment	MOHSW	
		HIV and AIDS	<ul style="list-style-type: none">- To improve the quality and coverage of health treatment, social support, employment and economic opportunities for HIV-affected persons²⁴	<ul style="list-style-type: none">a) Unemployment rate (% of people of working age 15+ years in Liberia; of which share of youth unemployment (15-34 years); b) Informal employment rate (% of people of working age derive major source of household income from informal employment); c) Vulnerable employment rate (Proportion of own-	MOHSW	

				<p>account and contributing family workers in total employment)</p> <ul style="list-style-type: none"> - Youth literacy rate of population between ages 15 to 24 (% , disaggregated by gender, urban/ rural, county) - PLVHA are enrolled at all levels of the educational system at rates comparable to other school-going Liberians²⁵ - Rates of poverty and unemployment among PLWHA decline towards the national averages²⁶ 		
PEOPLE	<p>1.4 By 2030, ensure that all men and women, in particular the poor and the vulnerable, have equal rights to economic resources, as well as access to basic services, ownership and control over land and other forms of property, inheritance, natural resources, appropriate new technology and financial services, including microfinance 13</p>	<p>Social protection</p> <p>Disabled</p> <p>Public housing and buildings</p> <p>MSMEs growth and financing</p>	<ul style="list-style-type: none"> - Protect the poor and most vulnerable households and groups from poverty, deprivation and hunger, support them in attaining a minimum standard of living²⁷ - Improve livelihoods and increase employment readiness of extreme poor, youth and vulnerable households through increased opportunities for income generation and employment²⁸ - Improved access by PWD to basic social services and skill development²⁹ - Expand access to affordable housing, including for low income groups and women³⁰ - Increase access to financial services for MSMEs³¹ - Prioritizing finance for farmers, MSMEs and priority value chains; recapitalizing depleting Savings and Loans associations³² 	<ul style="list-style-type: none"> - Proportion of vulnerable households receiving social transfers (disaggregated by men/ women-headed households, child-headed households) - Percentage of vulnerable households accessing social services - Unemployment and informal employment <ul style="list-style-type: none"> a) Unemployment rate (% of people of working age 15+ years in Liberia; of which share of youth unemployment (15-34 years); b) Informal employment rate (% of people of working age derive major source of 	<p>MFDP MOGD MOHSW MOE MOYS</p> <p>NHA</p> <p>MOCI</p> <p>MOFDP Central Bank</p>	

PEOPLE	Macroeconomic and debt management	<ul style="list-style-type: none"> - Strengthen and expand financial system in order to improve access to credit and asset accumulation by the domestic private sector, including MSMEs, agriculture, women, youth, and PWD³³ 	household income from informal employment); c) Vulnerable employment rate (Proportion of own-account and contributing family workers in total employment)	MOPT LTA LTC	
	Post and telecom	<ul style="list-style-type: none"> - Improve domestic and international Internet broadband connectivity³⁴ - Promote efficient, secure and affordable phone service throughout the country³⁵ 	- Youth literacy rate of population between ages 15 to 24 (% , disaggregated by gender, urban/ rural, county)	MOCI LC MOJ	
	Property rights and contract enforcement	<ul style="list-style-type: none"> - Clarify and transparently enforce property rights and commercial contracts through strengthened laws and implementing institutions, namely courts and arbitration. Make contract enforcement available to more MSMEs³⁶ 	- Increased number of low-income housing units and communities built in each county ⁴⁰	LC MOCI	
	Forestry	<ul style="list-style-type: none"> - Develop community and private-sector forest enterprises to increase incomes, provide jobs including for women and youth, and increase government revenues³⁷ 	- Increased pro-poor allocation of public housing ⁴¹	LC MOLME MOJ	
	Land tenure and use	<ul style="list-style-type: none"> - Develop comprehensive national land tenure, including a land use system, that provides equitable access to land and security of tenure so as to facilitate inclusive, sustained growth and development, ensure peace and security, and provide sustainable management of the environment³⁸ - In a consultative manner, formulate, approve and carry out enhanced land use policies and strategies that clarify rights and responsibilities of stakeholders, including women, and improve sustainable investment in land³⁹ 	<ul style="list-style-type: none"> - Increased sustainable financing and equity-building deposit mobilization for MSMEs⁴² - Growth of deposits and loans to MSMEs⁴³ - Increased share of households and MSMEs using banking services⁴⁴ - Increased number of contracts and property rights cases resolved⁴⁵ - Surveys show perceptions of clearer definition of communal and private land claims, including claims of women⁴⁶ 		

				<ul style="list-style-type: none"> - Increased number of viable community and private sector forestry enterprises⁴⁷ - Land parcels with title with ownership to land recorded in land registry, share (%) of registered female ownership, disaggregated by public, private and community land, cross-cutting biodiversity land; <i>measured by milestones</i>: -(i) No land administration policy, no law establishing the Land Agency; -(ii) Land administration policy statement completed, validated, turned over to GoL; -(iii) Land administration law is enacted; -(iv) Land cadastre operational and recording land parcels - Proportion of surveyed land that is registered with the National Archives (proxy indicator) 		
PEOPLE	1.5 By 2030, build the resilience of the poor and those in vulnerable situations and reduce their exposure and vulnerability to climate-related extreme events and other economic, social and environmental shocks and disasters	Health	<ul style="list-style-type: none"> - Strengthening resilience and reducing vulnerability⁴⁸ - Implementing a revised 7-year Health and investment Plan for over the next two fiscal years, in response to weaknesses exposed by the crisis and to build a more resilient system⁴⁹ - Meeting revised education investment priorities in response to the crisis, including: to improve the quality of 		MOHSW	
		Education			MOE	

		<p>Water and sanitation</p> <p>Social protection</p> <p>Security</p>	<p>primary, secondary, vocational and Alternative Basic Education (ABE) programs and to improve functional educational services and management at all levels and ensure a gender responsive education system⁵⁰</p> <ul style="list-style-type: none"> - WASH Ebola response and recovery implementation plan including increasing access to gender friendly WASH services as well as revised Water and Sanitation Expansion Plan⁵¹ - Strengthen the response program under way to expand cash transfers to at least 50,000 EVD affected households in extreme poverty, as part of building social protection systems to address risks and shocks inclusive of female headed households, women community networks⁵² - Ensure adequate investment in Liberia's security sector to ensure the capacity necessary to maintain security and rule of law following UNMIL's departure⁵³ 		<p>NWRSB</p> <p>MOHSW</p> <p>MIA</p>	
Goal 2. End hunger, achieve food security and improved nutrition and promote sustainable agriculture						
PEOPLE	2.1 By 2030, end hunger and ensure access by all people, in particular the poor and people in vulnerable situations, including infants, to safe, nutritious and sufficient food all year round	Social protection	<ul style="list-style-type: none"> - Protect the poorest and more vulnerable households and groups from poverty , deprivation and hunger, support them in attaining a minimum standard of living⁵⁴ - Develop and implement a comprehensive policy and fiscally sustainable system for social protection to benefit the poorest and most vulnerable households and groups⁵⁵ - Strengthening the response program underway to expand cash transfers to at least 50,000 EVD affected households in extreme poverty, as part of building a 	<ul style="list-style-type: none"> - Proportion of vulnerable households receiving social transfers (disaggregated by men/ women-headed households, child-headed households) - Reduced number of households in Liberia extreme poverty and/or with inadequate nutrition⁶⁰ - Rates of poverty and unemployment among 	<p>MOHSW</p> <p>MOFDP</p> <p>MOHSW</p> <p>MOHSW</p>	

		<p>Disabled</p> <p>HIV and AIDS</p> <p>Agriculture and food security</p>	<p>social protection system to address risks and shocks inclusive of female headed households, women community networks⁵⁶</p> <ul style="list-style-type: none"> - Improve access by PWD to basic social services and skill development⁵⁷ - To improve the quality and coverage of health treatment, social support, employment and economic opportunities for HIV-affected persons⁵⁸ - MOA in partnership with other stakeholders will work on the maintenance of strategic food reserves⁵⁹ 	<p>PLWHA decline toward the national averages⁶¹</p>	<p>MOA</p>	
PEOPLE	<p>2.2 By 2030, end all forms of malnutrition, including achieving, by 2025, the internationally agreed targets on stunting and wasting in children under 5 years of age, and address the nutritional needs of adolescent girls, pregnant and lactating women and older persons</p>	<p>Agriculture and food security</p> <p>Health</p>	<ul style="list-style-type: none"> - Improve nutrition for all Liberians⁶² - Improve household nutrition, especially for vulnerable households⁶³ - Increase access to and utilization of a comprehensive package of quality health services of proven effectiveness, delivered close to the community, enclosed with the necessary resources and supported by effective systems⁶⁴ 	<ul style="list-style-type: none"> - Reduced mortality and stunting by 25% and increased immunization coverage by 25% for the under-5 population⁶⁵ 	<p>MOA</p> <p>MOHSW</p>	
PEOPLE	<p>2.3 By 2030, double the agricultural productivity and incomes of small-scale food producers, in particular women, indigenous peoples, family farmers, pastoralists and fishers, including through secure and equal access to land, other productive resources and inputs, knowledge,</p>	<p>Agriculture and food security</p>	<ul style="list-style-type: none"> - Promote a robust, competitive and modernized agriculture sector supportive of sustainable economic growth and development⁶⁶ - Increase agricultural productivity, value-added and environmental sustainability, especially for smallholders including women and youth⁶⁷ - Increase access to machinery, fertilizer storage, credit, training, technical assistance, market information, and improved technologies and related 	<ul style="list-style-type: none"> - Yield of selected crops, livestock and fish [MT/ha for selected key commodities] - Ratio of agricultural imports to total domestic agricultural consumption/ production of key commodities where Liberia strives for self-sufficiency resp. reduced import quantities. Key commodities: (agricultural sub-sectors taken from 	<p>MOA</p> <p>MOFDP</p> <p>Central Bank</p> <p>Commercial banks</p>	

PEOPLE	financial services, markets and opportunities for value addition and non-farm employment	Land tenure and use	<p>services – through farmer groups and nuclear farms⁶⁸</p> <ul style="list-style-type: none"> - MOA programs will continue to address the training needs of farmers with research and extension services and improve small-holders' access to credit⁶⁹ - Since agriculture technology is a public good, especially for small-holder farmers, the MOA will sponsor research that is relevant to them⁷⁰ - In a consultative manner, formulate, approve and carry out enhanced land use policies and strategies that clarify rights and responsibilities of stakeholders, including women, and improved sustainable investment in land⁷¹ - Improve the alignment of land policies on public, communal and private lands and related laws with the Constitution, current laws or treaties , and current conditions and realities⁷² 	<p>Liberia Export Strategy): Cocoa, palm oil, Fishery, Rubber</p> <ul style="list-style-type: none"> - Share of commercial bank credit to the agriculture sector (or commercial farmers - to be discussed with CBL) (%), share of agricultural credits to women - Increased incomes of small smallholders and fishers⁷³ - Land parcels with title with ownership to land recorded in land registry, share (%) of registered female ownership, disaggregated by public, private and community land, cross-cutting biodiversity land; <i>measured by milestones:</i> <ul style="list-style-type: none"> -(i) No land administration policy, no law establishing the Land Agency; - (ii) Land administration policy statement completed, validated, turned over to GoL; -(iii) Land administration law is enacted; - (iv) Land cadastre operational and recording land parcels - Proportion of surveyed land that is registered with the National Archives (proxy indicator) 	LC MOJ	
--------	--	---------------------	--	--	-----------	--

PEOPLE	2.4 By 2030, ensure sustainable food production systems and implement resilient agricultural practices that increase productivity and production, that help maintain ecosystems, that strengthen capacity for adaptation to climate change, extreme weather, drought, flooding and other disasters and that progressively improve land and soil quality	Agriculture and food security Environment	<ul style="list-style-type: none"> - Increase agricultural productivity, value-added and environmental sustainability, especially for smallholders including women and youth⁷⁴ - To improve management of the environment to ensure it is protected and contributes to sustainable economic development and growth in all sectors and at all levels⁷⁵ - Develop and implement clear environmental policies and quality standards to guide environmental management, including a National Plan for a Low Carbon, climate resilient economy⁷⁶ 	<ul style="list-style-type: none"> - Improved public understanding and support for addressing environmental issues and policies⁷⁷ - New know-how to formulate Liberians climate change policy framework⁷⁸ 	MOA EPA	
PEOPLE	2.5 By 2020, maintain the genetic diversity of seeds, cultivated plants and farmed and domesticated animals and their related wild species, including through soundly managed and diversified seed and plant banks at the national, regional and international levels, and ensure access to and fair and equitable sharing of benefits arising from the utilization of genetic resources and associated traditional knowledge, as internationally agreed					
Goal 3. Ensure healthy lives and promote well-being for all at all ages						

PEOPLE	3.1 By 2030, reduce the global maternal mortality ratio to less than 70 per 100,000 live births	Health	<ul style="list-style-type: none"> - Increase access to and utilization of a comprehensive package of quality health services of proven effectiveness delivered close to the community, endowed with the necessary resources and supported by effective systems⁷⁹ - Make health care available to all people in Liberia, regardless of their position in society and at a cost that is affordable to the country⁸⁰ - Implementing a revised 7-year Health investment Plan over the next two fiscal years in response to weaknesses exposed by the crisis and to build a more resilient system⁸¹ 	- Proportion of maternal deaths per 100,000 live births (number)	MOHSW	
PEOPLE	3.2 By 2030, end preventable deaths of newborns and children under 5 years of age, with all countries aiming to reduce neonatal mortality to at least as low as 12 per 1,000 live births and under-5 mortality to at least as low as 25 per 1,000 live births	Health	<ul style="list-style-type: none"> - Increase access to and utilization of a comprehensive package of quality health services of proven effectiveness delivered close to the community, endowed with the necessary resources and supported by effective systems⁸² - Make health care available to all people in Liberia, regardless of their position in society and at a cost that is affordable to the country⁸³ - Implementing a revised 7-year Health investment Plan over the next two fiscal years in response to weaknesses exposed by the crisis and to build a more resilient system⁸⁴ 	<ul style="list-style-type: none"> - Children (%) under 1 year who received Measles vaccine <i>[% of children aged 0 to 11 months]</i> - Proportion of under-five deaths per 1,000 live births (number) 	MOHSW	
PEOPLE	3.3 By 2030, end the epidemics of AIDS, tuberculosis, malaria and neglected tropical diseases and combat hepatitis, water-borne diseases and other communicable diseases	HIV and AIDS	<ul style="list-style-type: none"> - Reduce the spread of HIV and AIDS and mitigate its impact on persons living with HIV and AIDS and their families⁸⁵ - To decrease risk behavior by increasing knowledge of HIV and AIDS among traditional, religious and community leaders⁸⁶ 	- Reduced HIV and AIDS incidence to below 1.5% and a mitigated impact on the well-being of infected and affected persons, especially women and girls ⁸⁸	MOHSW	

			- To increase the quality and coverage of health treatment, social support, employment and economic opportunities for HIV-affected persons ⁸⁷	- Increased share (and ideally all) of infants are protected from HIV/AIDS by PMTCT interventions ⁸⁹		
PEOPLE	3.4 By 2030, reduce by one third premature mortality from non-communicable diseases through prevention and treatment and promote mental health and well-being					
	3.5 Strengthen the prevention and treatment of substance abuse, including narcotic drug abuse and harmful use of alcohol					
	3.6 By 2020, halve the number of global deaths and injuries from road traffic accidents					
	3.7 By 2030, ensure universal access to sexual and reproductive health-care services, including for family planning, information and education, and the integration of reproductive health into national strategies and programmes					
PEOPLE	3.8 Achieve universal health coverage, including financial risk protection, access to quality essential health-care services and	Health	- Increase access to and utilization of a comprehensive package of quality health services of proven effectiveness delivered close to the community, endowed with the necessary resources and supported by effective systems ⁹⁰	- Share of population (%) within 5 km of a health facility (by county) - Proportion of vulnerable households receiving social transfers (disaggregated by	MOHSW	

	access to safe, effective, quality and affordable essential medicines and vaccines for all	Social protection	<ul style="list-style-type: none"> - Make health care available to all people in Liberia, regardless of their position in society and at a cost that is affordable to the country⁹¹ - Develop and implement a comprehensive policy and fiscally sustainable system for social protection to benefit the poorest and most vulnerable households and groups⁹² 	men/ women-headed households, child-headed households) - Percentage of vulnerable households accessing social services		
PEOPLE	3.9 By 2030, substantially reduce the number of deaths and illnesses from hazardous chemicals and air, water and soil pollution and contamination					
Goal 4. Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all						
PEOPLE	4.1 By 2030, ensure that all girls and boys complete free, equitable and quality primary and secondary education leading to relevant and effective learning outcomes	Education	<ul style="list-style-type: none"> - Assure equitable access to free basic education for all children and youth, including girls and the disabled, with improved outcomes⁹³ - Improve quality, relevance, and accessibility of secondary, vocational/technical education programs and to alternative basic education programs for out-of-school adolescents and youth⁹⁴ - Improve PTA and national oversight, standards, coordination and monitoring mechanisms to ensure quality education, including non-government ECCD programs for children aged 0-to-5 years⁹⁵ - Increase numbers and improve competencies of teachers in formal schools and alternative basic education programs⁹⁶ 	<ul style="list-style-type: none"> - Net enrollment rate of actual school age going pupils 6- 11 years of age (by gender, children with disabilities, rural/urban areas, county) - Retention rates of students from primary through to tertiary education (% , by gender, share of children with disabilities, by county) - Net secondary enrollment rates in counties (by gender, share of children with disabilities, by county) - Passing rate of the national examination results - Increased number of teachers with certified training⁹⁸ 	MOE	

			<ul style="list-style-type: none"> - Meeting revised education investment priorities in response to the crisis including: to improve the quality of primary, secondary, vocational and Alternative Basic Education (ABE) programs; and to improve functional educational services and management at all levels and ensure a gender responsive education system⁹⁷ 			
PEOPLE	4.2 By 2030, ensure that all girls and boys have access to quality early childhood development, care and pre-primary education so that they are ready for primary education	Education	<ul style="list-style-type: none"> - Improve PTA and national oversight, standards, coordination and monitoring mechanisms to ensure quality education, including non-government ECCD programs for children aged 0-to-5 years⁹⁹ 		MOE	
PEOPLE	4.3 By 2030, ensure equal access for all women and men to affordable and quality technical, vocational and tertiary education, including university	Education	<ul style="list-style-type: none"> - Ensure the quality and relevance of higher education and TVET learning in Liberian context¹⁰⁰ - Meeting revised education investment priorities in response to the crisis including: to improve the quality of primary, secondary, vocational and Alternative Basic Education (ABE) programs; and to improve functional educational services and management at all levels and ensure a gender responsive education system¹⁰¹ 	<ul style="list-style-type: none"> - Enrolment by type of specific TVET-programs (tbd; in its multiple settings (including formal TVET, workplace and community-based TVET)) - Share of university graduates receivingemployment in the last 12 months 	TVET Task Force MOYS	
PEOPLE	4.4 By 2030, substantially increase the number of youth and adults who have relevant skills, including technical and vocational skills, for employment, decent jobs and entrepreneurship	Education Youth empowerment Social protection	<ul style="list-style-type: none"> - Improve quality, relevance, and accessibility of secondary, vocational/technical education programs and to alternative basic education programs for out-of-school adolescents and youth¹⁰² - Increase youth access to health, education and ICT services¹⁰³ 	<ul style="list-style-type: none"> - Retention rates of students from primary through to tertiary education (% by gender, share of children with disabilities, by county) - Proportion of youth with completed TVET who have gainful employment for the last 12 months 	MOE TVET Task Force MOYS MOHSW	

		Labor and employment	<ul style="list-style-type: none"> - Improve livelihoods and increase employment readiness of extreme poor, youth and vulnerable households through increased opportunities for income generation and employment¹⁰⁴ - Ensure that the education and training system prepares the labor force to meet the skills needs of the economy¹⁰⁵ 	<ul style="list-style-type: none"> - Share (%) of youth (age to age) from youth empowerment schemes, who found decent employment within 12 months (by gender, county) 		
PEOPLE	4.5 By 2030, eliminate gender disparities in education and ensure equal access to all levels of education and vocational training for the vulnerable, including persons with disabilities, indigenous peoples and children in vulnerable situations	Education	<ul style="list-style-type: none"> - Ensure equal access to high quality, free and compulsory basic education and a variety of post-basic education and training opportunities that lead to an improved livelihood¹⁰⁶ - Assure equitable access to free basic education for all children and youth, including girls and the disabled, with improved outcomes¹⁰⁷ - Improve quality, relevance, and accessibility of secondary, vocational/technical education programs and to alternative basic education programs for out-of-school adolescents and youth¹⁰⁸ 	<ul style="list-style-type: none"> - Net enrollment rate of actual school age going pupils 6- 11 years of age (by gender, children with disabilities, rural/urban areas, county) - Retention rates of students from primary through to tertiary education (% by gender, share of children with disabilities, by county) - Net secondary enrollment rates in counties (by gender, share of children with disabilities, by county) - Passing rate of the national examination results - Increased number of teachers with certified training¹¹⁴ - Proportion of youth with completed TVET who have gainful employment for the last 12 months - Proportion of youth with completed TVET who have gainful employment for the last 12 months - Share (%) of youth (age to age) from youth empowerment schemes, 	MOE MOGD	
		Youth empowerment	<ul style="list-style-type: none"> - Increase youth access to health, education and ICT services¹⁰⁹ 		MOYS	
		Social protection	<ul style="list-style-type: none"> - Improve livelihoods and increase employment readiness of extreme poor, youth and vulnerable households through increased opportunities for income generation and employment¹¹⁰ - Increase the share of children living with families; improve conditions in child care institutions and increase participation in social insurance schemes¹¹¹ 		MOFDP MOHSW	
		Disabled	<ul style="list-style-type: none"> - Improved access by PWD to basic social services and skill development¹¹² 		MOHSW	
		HIV and AIDS			MOHSW	

			<ul style="list-style-type: none"> - To improve the quality and coverage of health treatment and social support, employment and economic opportunities for HIV-affected persons¹¹³ 	who found decent employment within 12 months (by gender, county) <ul style="list-style-type: none"> - PLWHIV are enrolled at all levels of the educational system at rates comparable to other school-going Liberians¹¹⁵ 		
PEOPLE	4.6 By 2030, ensure that all youth and a substantial proportion of adults, both men and women, achieve literacy and numeracy	Inclusiveness (AFT Key objective 2) Education	<ul style="list-style-type: none"> - Increase inclusiveness for a more equal and just society¹¹⁶ - Ensure equal access to high quality, free and compulsory basic education and a variety of post-basic education and training opportunities that lead to an improved livelihood¹¹⁷ 	<ul style="list-style-type: none"> - Youth literacy rate of population between ages 15 to 24 (% , disaggregated by gender, urban/ rural, county) 	MOE MOYS MOGD	
PEOPLE	4.7 By 2030, ensure that all learners acquire the knowledge and skills needed to promote sustainable development, including, among others, through education for sustainable development and sustainable lifestyles, human rights, gender equality, promotion of a culture of peace and non-violence, global citizenship and appreciation of cultural diversity and of culture's contribution to sustainable development	Environment HIV and AIDS Disabled Human Rights Peace building and reconciliation	<ul style="list-style-type: none"> - Strengthen ownership and capacity of government agencies, private sector and CSOs to understand and monitor environmental policies and regulations¹¹⁸ - Improve society's perception and acceptance of PLWHIV¹¹⁹ - Improve society's perceptions of PWDs¹²⁰ - Strengthen commitment and awareness communities and CSOs to advance human rights particularly for vulnerable groups¹²¹ - Enhance national identity¹²² 	<ul style="list-style-type: none"> - Improved public understanding and support for addressing environmental issues and policies¹²³ - Reduced discrimination and stigma against PLWHA¹²⁴ - Improved understanding of the history and commonality of Liberia by all Liberians towards national unity¹²⁵ 	MOE MLME EPA MOHSW MOIA GC	
Goal 5. Achieve gender equality and empower all women and girls						

PEOPLE	5.1 End all forms of discrimination against all women and girls everywhere	Peace building and reconciliation	<ul style="list-style-type: none"> - Expand access to and engagement of women, marginalized groups and especially youth to social and economic opportunities and participation in peace building leadership roles¹²⁶ 	<ul style="list-style-type: none"> - Increased participation in peace-building, reconciliation at national and local levels and enhanced leadership roles by marginalized groups, especially women and youth¹⁴³ 	INHRC National Reconciliation Task Force MOIA	
		Justice and rule of law	<ul style="list-style-type: none"> - Strengthen integrity of the justice system and reduce corruption and human rights violations, especially of women and children in the justice system¹²⁷ 	<ul style="list-style-type: none"> - Share of people that are satisfied with the quality of judicial system or rule of law available to their household (% of people satisfied and very satisfied, disaggregated by gender, urban/ rural, county) 	GC MOJ	
		International trade	<ul style="list-style-type: none"> - Facilitate exports (e.g. through special export processing zones, improved trade agreements, and training for entrepreneurs including women)¹²⁸ 		MOCI	
		Monetary	<ul style="list-style-type: none"> - Strengthen and expand the financial system in order to improve access to credit and asset accumulation by the domestic private sector, including MSMEs, agriculture, women, youth, and PWD¹²⁹ 	<ul style="list-style-type: none"> - Share of commercial bank credit to the agriculture sector (or commercial farmers - to be discussed with CBL) (%), share of agricultural credits to women 	MOFDP Central Bank	
		Public housing and buildings	<ul style="list-style-type: none"> - Expand access to affordable housing, including for low-income groups and women¹³⁰ 	<ul style="list-style-type: none"> - Increase forest production, exports, value-added and employment including of youth, women and other vulnerable groups¹⁴⁴ 	LC MOLME	
		Forestry	<ul style="list-style-type: none"> - Develop community and private sector forest enterprises to increase incomes, provide jobs, including for women and youth, and increase government revenue¹³¹ 			
		Education	<ul style="list-style-type: none"> - Assure equitable access to free basic education for all children and youth, including girls and the disabled, with improved outcomes¹³² - Improve quality, relevance, and accessibility of secondary, vocational/technical education programs and to alternative basic education programs for out-of-school adolescents¹³³ 	<ul style="list-style-type: none"> - Net enrollment rate of actual school age going pupils 6- 11 years of age (by gender, children with disabilities, rural/urban areas, county) - Retention rates of students from primary through to tertiary education (% by gender, share of children with disabilities, by county) 	MOE	
		Health			MOHSW	

PEOPLE		Civil service	- Make health care available to all people in Liberia, regardless of their position in society, and at a cost that is affordable to the country ¹³⁴	- Net secondary enrollment rates in counties (by gender, share of children with disabilities, by county)	LC MOLME	
		Land tenure and use	- Ensure equal opportunity based on gender, age (youth), and disabilities at all levels of the civil service ¹³⁵	- Youth literacy rate of population between ages 15 to 24 (% , disaggregated by gender, urban/ rural, county)		
			- In a consultative manner, formulate, approve and carry out enhanced land use policies and strategies that clarify rights and responsibilities of stakeholders, including women, and improve sustainable investment in land ¹³⁶	- Proportion of maternal deaths per 100,000 live births (number)	MOHSW	
		Social protection	- Develop and implement a comprehensive policy and fiscally sustainable system for social protection to benefit the poorest and most vulnerable households and groups ¹³⁷	- Civil service appointments and promotions show improved balance in terms of gender, age (youth), disabilities and tribal origin ¹⁴⁵	-	
		Gender equality	- Improve livelihoods and increase employment readiness of extreme poor, youth and vulnerable households through increased opportunities for income generation and employment ¹³⁸	- Land parcels with title with ownership to land recorded in land registry , share (%) of registered female ownership, disaggregated by public, private and community land, cross-cutting biodiversity land;	MOGD	
			- Increase women's participation in the community decision-making process ¹³⁹	<i>measured by milestones:</i>		
		Water and sanitation	- Strengthen women participation in income generation and employment opportunities in agriculture, fisheries, and MSMEs and formal sector ¹⁴⁰	-(i) No land administration policy, no law establishing the Land Agency; -(ii) Land administration policy statement completed, Validated, turned over to GoL; -(iii) Land administration law is enacted; -(iv) Land cadastre operational and recording land parcels		
		Property rights and contract enforcement	- WASH Ebola response recovery implementation plan including increasing access to gender friendly WASH services as well as revised Water and Sanitation Expansion Plan ¹⁴¹	- Proportion of surveyed land that is registered with the		
			- Women's rights and claims to forest resources and rights to property better defined and protected ¹⁴²			

				National Archives (proxy indicator) - Proportion of vulnerable households receiving social transfers (disaggregated by men/ women-headed households, child-headed households) - Share of women (%) in leadership, elected or appointed (in cabinet positions, legislative, judiciary, private sector, community councils) - Share (%) of youth (age to age) from youth empowerment schemes, who found decent employment within 12 months (by gender, county)		
PEOPLE	5.2 Eliminate all forms of violence against all women and girls in the public and private spheres, including trafficking and sexual and other types of exploitation	Gender equality	- Improve the capacity of women to respond to gender-based violence and traditional practices ¹⁴⁶	- Decrease the incidence of traditional practices harmful to women and girls through awareness in schools, communities, villages, etc. ¹⁴⁷	MOGD

PEOPLE	5.4 Recognize and value unpaid care and domestic work through the provision of public					

	services, infrastructure and social protection policies and the promotion of shared responsibility within the household and the family as nationally appropriate					
	5.5 Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision making in political, economic and public life	Gender equality	<ul style="list-style-type: none"> - Improve the socio-economic and political status and capacity of women in Liberia¹⁵⁰ - Increase women's participation in the community decision-making process¹⁵¹ 	- Share of women (%) in leadership, elected or appointed (in cabinet positions, legislative, judiciary, private sector, community councils)	MOGD	
PEOPLE	5.6 Ensure universal access to sexual and reproductive health and reproductive rights as agreed in accordance with the Programme of Action of the International Conference on Population and Development and the Beijing Platform for Action and the outcome documents of their review conferences					
Goal 6. Ensure availability and sustainable management of water and sanitation for all						
PLANET	6.1 By 2030, achieve universal and equitable access to safe and affordable drinking water for all	Water and sanitation	<ul style="list-style-type: none"> - Expand equitable access to environmentally-friendly and sustainable water, sanitation services and solid waste management – including for the poorest and more vulnerable communities¹⁵² - WASH Ebola response and recovery implementation plan including increasing 	- Share of rural/ urban population (%) with access to protected (improved) drinking water collection points	NWRSB LWSC	

			access to gender friendly WASH services as well as revised Water and Sanitation Expansion Plan ¹⁵³			
	6.2 By 2030, achieve access to adequate and equitable sanitation and hygiene for all and end open defecation, paying special attention to the needs of women and girls and those in vulnerable situations	Water and sanitation	<ul style="list-style-type: none"> - Expand equitable access to environmentally-friendly and sustainable water, sanitation services and solid waste management – including for the poorest and more vulnerable communities¹⁵⁴ - Increase safe hygiene practices (e.g. hand washing and reduced open defecation) by working with community organizations and schools¹⁵⁵ - WASH Ebola response and recovery implementation plan including increasing access to gender friendly WASH services as well as revised Water and Sanitation Expansion Plan¹⁵⁶ - Ensure equal access to high quality, free and compulsory basic education and a variety of post-basic education and training opportunities that lead to an improved livelihood¹⁵⁷ 	<ul style="list-style-type: none"> - Share of rural/urban population (%) with access to sanitation (onsite, offsite, solid waste) - Increased number of schools that meet minimum standards for safety, sanitary facilities and educational materials¹⁵⁸ 	NWRSB MOE	
PLANET	6.3 By 2030, improve water quality by reducing pollution, eliminating dumping and minimizing release of hazardous chemicals and materials, halving the proportion of untreated wastewater and substantially increasing recycling and safe reuse globally	Water and sanitation	<ul style="list-style-type: none"> - Expand equitable access to environmentally-friendly and sustainable water, sanitation services and solid waste management – including for the poorest and more vulnerable communities¹⁵⁹ 	<ul style="list-style-type: none"> - Reduced infection rates from diarrhea and water borne diseases¹⁶⁰ 	NWRSB LWSC	

	6.4 By 2030, substantially increase water-use efficiency across all sectors and ensure sustainable withdrawals and supply of freshwater to address water scarcity and substantially reduce the number of people suffering from water scarcity					
PLANET	6.5 By 2030, implement integrated water resources management at all levels, including through transboundary cooperation as appropriate	Water and sanitation	<ul style="list-style-type: none"> - Manage, expand and sustain Liberia's WASH services through a clear, functional and inclusive WASH governance structure and with strengthened operational guidelines, training and financing¹⁶¹ - Improve WASH sector monitoring capacity and communication¹⁶² 		NWRSB LWSC	
	6.6 By 2020, protect and restore water-related ecosystems, including mountains, forests, wetlands, rivers, aquifers and lakes	Water and sanitation	<ul style="list-style-type: none"> - Manage, expand and sustain Liberia's WASH services through a clear, functional and inclusive WASH governance structure and with strengthened operational guidelines, training and financing¹⁶³ - Improve WASH sector monitoring capacity and communication¹⁶⁴ 	- Reduced disposal of solid waste in unmanaged sites (like streams or backyards) ¹⁶⁵	NWRSB LWSC	
Goal 12. Ensure sustainable consumption and production patterns						
PLANET	12.1 Implement the 10-year framework of programmes on sustainable consumption and production, all countries taking action, with developed countries					

	taking the lead, taking into account the development and capabilities of developing countries					
PLANET	12.2 By 2030, achieve the sustainable management and efficient use of natural resources	<p>Forestry</p> <p>Mining development and management</p> <p>Agriculture and food security</p> <p>Environment</p>	<ul style="list-style-type: none"> - Expand sustainably harvested forest flora and fauna for domestic and export markets, through improved user rights, increased community participation in decision making and sustainable forest management¹⁶⁶ - Minimize illegal harvesting of forest resources and assimilate and strengthen the informal forestry sector¹⁶⁷ - Improve regulatory system and compliance of mineral production, with increased transparency and COS monitoring of concession agreements, mineral revenues and regulatory compliance for environment and worker safety, including elimination of child labor¹⁶⁸ - Strengthen small-scale mining, with more quality employment opportunities¹⁶⁹ - Increase agricultural productivity, value-added and environmental sustainability, especially for smallholders including women and youth¹⁷⁰ - Increase fishery production in a sustainable manner¹⁷¹ - Strengthen ownership and participation of communities in decentralized natural resource management and decision making on environmental issues¹⁷² 	<ul style="list-style-type: none"> - Share (%) of forest area under legal protection by forest rangers - State revenue from the mineral/mining sector (over life of concession - 5 sub-criteria): Corporate tax (% of profit); Royalties (% of FOB value) ; Resource rent tax (Profit after income tax) ; Withholding tax (dividends: profits expatriated); Import duties (% CIF value) - Investment of mineral sector into local socio-economic development USD per annum (% of gross revenue) - Upstream investments of extractive industries, local value-added: - Share (%) of capital goods purchased locally per annual; - Share (%) of services purchased locally per annual; - Share (%) of consumables purchased locally per annual - Number of artisanal and small-scale miner cooperatives formed - Number of demarcated areas for licensed artisanal small-scale mining 	LC MOLME	

				<ul style="list-style-type: none"> - Yield of selected crops, livestock and fish [MT/ha for selected key commodities] - Enhanced awareness participation and capacities of MAC and CSOs to engage in all aspects of environmental policy¹⁷³ 		
PLANET	12.3 By 2030, halve per capita global food waste at the retail and consumer levels and reduce food losses along production and supply chains, including post-harvest losses	Agriculture and food security	- MPW will address infrastructure needs for transportation. Storage and trucking will come from the private sector and cooperatives ¹⁷⁴		MOA	
	12.4 By 2020, achieve the environmentally sound management of chemicals and all wastes throughout their life cycle, in accordance with agreed international frameworks, and significantly reduce their release to air, water and soil in order to minimize their adverse impacts on human health and the environment					
	12.5 By 2030, substantially reduce waste generation through prevention, reduction, recycling and reuse					

	12.6 Encourage companies, especially large and transnational companies, to adopt sustainable practices and to integrate sustainability information into their reporting cycle					
PLANET	12.7 Promote public procurement practices that are sustainable, in accordance with national policies and priorities					
	12.8 By 2030, ensure that people everywhere have the relevant information and awareness for sustainable development and lifestyles in harmony with nature					
Goal 13. Take urgent action to combat climate change and its impacts						
PLANET	13.1 Strengthen resilience and adaptive capacity to climate-related hazards and natural disasters in all countries	Environment	<ul style="list-style-type: none"> - Develop and implement clear environmental policies and quality standards to guide environmental management including a National Plan for a Low Carbon, Climate Resilient Economy¹⁷⁵ - Strengthen ownership and capacity of government agencies, the private sector and CSOs to understand and monitor environmental policies and regulations¹⁷⁶ 	<ul style="list-style-type: none"> - New know-how to formulate Liberians climate change policy framework¹⁷⁷ - Enhance awareness participation and capacities of MACs and CSOs to engage in all aspects of environmental policy¹⁷⁸ 	MOLME	
	13.2 Integrate climate change measures into national policies, strategies and planning	Environment	<ul style="list-style-type: none"> - Develop and implement clear environmental policies and quality standards to guide environmental 	<ul style="list-style-type: none"> - New know-how to formulate Liberians climate change policy framework¹⁸¹ 	MOLME	

		Power and energy	management including a National Plan for a Low Carbon, Climate Resilient Economy ¹⁷⁹ - Supply affordable power from the grid to MSMEs, industries and households in urban areas, while supporting alternative modes of generation that can extend electricity to off the grid areas using small-scale thermal, solar and hydro-technologies ¹⁸⁰			
PLANET	13.3 Improve education, awareness-raising and human and institutional capacity on climate change mitigation, adaptation, impact reduction and early warning	Environment	- Strengthen ownership and capacity of government agencies, the private sector and CSOs to understand and monitor environmental policies and regulations ¹⁸²	- Enhance awareness participation and capacities of MACs and CSOs to engage in all aspects of environmental policy ¹⁸³	MOLME	
Goal 14. Conserve and sustainably use the oceans, seas and marine resources for sustainable development						
PLANET	14.1 By 2025, prevent and significantly reduce marine pollution of all kinds, in particular from land-based activities, including marine debris and nutrient pollution					
	14.2 By 2020, sustainably manage and protect marine and coastal ecosystems to avoid significant adverse impacts, including by strengthening their resilience, and take action for their restoration in order to achieve healthy and productive oceans	Agriculture and food security	- Increase fishery production in a sustainable manner ¹⁸⁴		MOA	

	14.3 Minimize and address the impacts of ocean acidification, including through enhanced scientific cooperation at all levels					
PLANET	14.4 By 2020, effectively regulate harvesting and end overfishing, illegal, unreported and unregulated fishing and destructive fishing practices and implement science-based management plans, in order to restore fish stocks in the shortest time feasible, at least to levels that can produce maximum sustainable yield as determined by their biological characteristics					
	14.5 By 2020, conserve at least 10 per cent of coastal and marine areas, consistent with national and international law and based on the best available scientific information					
	14.6 By 2020, prohibit certain forms of fisheries subsidies which contribute to overcapacity and overfishing, eliminate					

	subsidies that contribute to illegal, unreported and unregulated fishing and refrain from introducing new such subsidies, recognizing that appropriate and effective special and differential treatment for developing and least developed countries should be an integral part of the World Trade Organization fisheries subsidies negotiation					
PLANET	14.7 By 2030, increase the economic benefits to Small Island developing States and least developed countries from the sustainable use of marine resources, including through sustainable management of fisheries, aquaculture and tourism.	NOT APPLICABLE				
	Goal 15. Protect, restore and promote sustainable use of terrestrial ecosystems, sustainably manage forests, combat desertification, and halt and reverse land degradation and halt biodiversity loss					
PLANET	15.1 By 2020, ensure the conservation, restoration and sustainable use of terrestrial and inland freshwater ecosystems and their services, in particular forests, wetlands, mountains					

	and drylands, in line with obligations under international agreements					
PLANET	15.2 By 2020, promote the implementation of sustainable management of all types of forests, halt deforestation, restore degraded forests and substantially increase afforestation and reforestation globally	Forest	<ul style="list-style-type: none"> - To integrate the community, conservation and commercial aspects (3C strategy) of forestry to contribute sustainably to reducing poverty, improving livelihoods and the quality of rural life, and increasing the ecological services provided by Liberia's forests¹⁸⁵ - Expand sustainably harvested forest flora and fauna for domestic and export markets, through improved user rights, increased community participation in decision-making and sustainable forest management¹⁸⁶ - Minimize illegal harvesting of forest resources and assimilate and strengthen the informal forestry sector¹⁸⁷ 	<ul style="list-style-type: none"> - Land parcels with title with ownership to land recorded in land registry, share (%) of registered female ownership, disaggregated by public, private and community land, cross-cutting biodiversity land; <i>measured by milestones</i>: -(i) No land administration policy, no law establishing the Land Agency; -(ii) Land administration policy statement completed, validated, turned over to GoL; -(iii) Land administration law is enacted; -(iv) Land cadastre operational and recording land parcels - Proportion of surveyed land that is registered with the National Archives (proxy indicator) 	LC MOLME	
PLANET	15.3 By 2030, combat desertification, restore degraded land and soil, including land affected by desertification, drought and floods, and strive to achieve a land degradation-neutral world					
	15.4 By 2030, ensure the conservation of mountain ecosystems,					

	including their biodiversity, in order to enhance their capacity to provide benefits that are essential for sustainable development					
PLANET	15.5 Take urgent and significant action to reduce the degradation of natural habitats, halt the loss of biodiversity and, by 2020, protect and prevent the extinction of threatened species					
	15.6 Ensure fair and equitable sharing of the benefits arising from the utilization of genetic resources and promote appropriate access to such resources					
	15.7 Take urgent action to end poaching and trafficking of protected species of flora and fauna and address both demand and supply of illegal wildlife products					
	15.8 By 2020, introduce measures to prevent the introduction and significantly reduce the impact of invasive alien species on land and water ecosystems and control or eradicate the priority species					

	15.9 By 2020, integrate ecosystem and biodiversity values into national and local planning, development processes, poverty reduction strategies and accounts					
	Goal 7. Ensure access to affordable, reliable, sustainable and modern energy for all					
PROSPERITY	7.1 By 2030, ensure universal access to affordable, reliable and modern energy services	Power and energy Industrial development	<ul style="list-style-type: none"> - Increase affordable access to the electricity grid in population and production centers, including to women¹⁸⁸ - Provide access to technology and infrastructure and streamline regulations to increase competitiveness of new and existing industrial enterprises¹⁸⁹ 	<ul style="list-style-type: none"> - Cost of electricity from national grid to consumers (USD/KWH, disaggregated by residential customer rate, commercial customer rate; by county) - Electrification rate: Number of urban and rural households with electricity installations (disaggregated by low-income households, other residential households; national grid and off-grid solutions; by county) 	Energy Technical Committee LEC	
	7.2 By 2030, increase substantially the share of renewable energy in the global energy mix	Power and energy	<ul style="list-style-type: none"> - Increase access to renewable energy services and affordable power for community and economic transformation¹⁹⁰ 	<ul style="list-style-type: none"> - Reduced deforestation for fuel¹⁹¹ 	Energy Technical Committee LEC RREA	
	7.3 By 2030, double the global rate of improvement in energy efficiency					
	Goal 8. Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all					
PROSPERITY	8.1 Sustain per capita economic growth in accordance with national circumstances and, in particular, at least 7 per cent gross	Wealth creation (AFT Key objective 1)	<ul style="list-style-type: none"> - Accelerate growth for wealth creation¹⁹² - Recovering output and growth¹⁹³ 	<ul style="list-style-type: none"> - Real GDP growth rate (% , year-on-year); disaggregated by agriculture, industry, services) 	MOFDP Central Bank	

	domestic product growth per annum in the least developed countries					
PROSPERITY	8.2 Achieve higher levels of economic productivity through diversification, technological upgrading and innovation, including through a focus on high-value added and labour-intensive sectors	Industrial development Agriculture and food security Public housing and buildings	<ul style="list-style-type: none"> - Improve options for industry to employ Liberians workers, including under-represented groups¹⁹⁴ - Provide access to technology and infrastructure and streamline regulations to increase competitiveness of new and existing industrial enterprises¹⁹⁵ - Promoting diversification of Liberia's economy through a) value chains coordination in rubber, oil palm, cocoa, fish and cassava, and b) attracting industrial investments in these value chains focusing on processing where possible¹⁹⁶ - Increase agricultural productivity, value-added and environmental sustainability, especially for smallholders including women and youth¹⁹⁷ - Encourage employment-intensive techniques where appropriate for construction and site preparation¹⁹⁸ 	<ul style="list-style-type: none"> - Net additional, full-time equivalent jobs created in target enterprises benefitting from AFT interventions (by gender, by youth) - Growth of industrial investment, value-added and employment of Liberian workers including women, youth and disadvantaged groups¹⁹⁹ - Yield of selected crops, livestock and fish [MT/ha for selected key commodities] - Ratio of agricultural imports to total domestic agricultural consumption/production of key commodities where Liberia strives for self-sufficiency resp. reduced import quantities. Key commodities: -Cocoa, Palm oil, Fishery, Rubber 	MOCI MOA NHA MOPW	
PROSPERITY	8.3 Promote development-oriented policies that support productive activities,	MSMEs growth and financing	<ul style="list-style-type: none"> - Encourage and facilitate MSMEs to move to the formal sector²⁰⁰ 	<ul style="list-style-type: none"> - Domestic for profit businesses registered on the Liberia Business Registry (Number; excluding 	MOCI

PEACE	16.8 Broaden and strengthen the participation of developing countries in the institutions of global governance					

	16.9 By 2030, provide legal identity for all, including birth registration					
PEACE	16.10 Ensure public access to information and protect fundamental freedoms, in accordance with national legislation and international agreements	Mineral development and management	<ul style="list-style-type: none"> - Increase fiscal revenue, with full reporting to LEITI³⁹³ 	<ul style="list-style-type: none"> - State revenue from the mineral/mining sector (over life of concession - 5 sub-criteria): (I) Corporate tax (% of profit); (II) Royalties (% of FOB value); (III) Resource rent tax (Profit after income tax); (IV) Withholding tax (dividends: profits expatriated); (V) Import duties (% CIF value) 	NBC MOLME	
Goal 17. Strengthen the means of implementation and revitalize the global partnership for sustainable development						
PARTNERSHIPS	Finance 17.1 Strengthen domestic resource mobilization, including through international support to developing countries, to improve domestic capacity for tax and other revenue collection	<p>Macroeconomic and debt management</p> <p>Mineral development and management Forestry</p> <p>Public financial management</p>	<ul style="list-style-type: none"> - Strengthen administration of taxes, and royalties and increase revenues³⁹⁴ - Securing on-going budget support financing to help replace budget shortfalls resulting from collapsed revenues over the next two fiscal years and to enable the Government's public investment program and financing of the ESRP³⁹⁵ - Increase fiscal revenue, with full reporting to LEITI³⁹⁶ - Develop community and private sector forest enterprises to increase incomes, provide jobs including for women and youth, and increase government revenues³⁹⁷ - Advance PFM and anti-corruption reforms especially among revenue-generating MCAs³⁹⁸ - Strengthen domestic revenue mobilization and administration for 	<ul style="list-style-type: none"> - Government domestic revenue collection as share of GDP (%) - State revenue from the mineral/mining sector (over life of concession - 5 sub-criteria): Corporate tax (% of profit); Royalties (% of FOB value); Resource rent tax (Profit after income tax) Withholding tax (dividends: profits expatriated); Import duties (% CIF value) - Extent of unreported government operations (PEFA PI-7) (PEFA-Score from A to D). Dimensions to be assessed: (i) the level of extra-budgetary expenditure (other than donor funded projects) which is 	<p>MOFDP</p> <p>MOLME</p> <p>MOA</p> <p>MOFDP</p>	

			collection of national revenues, including those due to the State from all revenue generating agencies, public corporations and concessions ³⁹⁹	unreported i.e. not included in fiscal reports. (ii) income / expenditure information on donor-funded projects which is included in fiscal reports.		
PARTNERSHIPS	<u>Finance</u> 17.2 Developed countries to implement fully their official development assistance commitments, including the commitment by many developed countries to achieve the target of 0.7 per cent of ODA/GNI to developing countries and 0.15 to 0.20 per cent of ODA/GNI to least developed countries; ODA providers are encouraged to consider setting a target to provide at least 0.20 per cent of ODA/GNI to least developed countries	NOT APPLICABLE				
PARTNERSHIPS	<u>Finance</u> 17.3 Mobilize additional financial resources for developing countries from multiple sources	NOT APPLICABLE				
	<u>Finance</u> 17.4 Assist developing countries in attaining long-term debt sustainability through coordinated policies	Macroeconomic and debt management	- Continue sound fiscal policy, public expenditure and debt management, and improve efficacy and transparency of spending and revenues, including from natural resources ⁴⁰⁰		MOFDP Central Bank	

	aimed at fostering debt financing, debt relief and debt restructuring, as appropriate, and address the external debt of highly indebted poor countries to reduce debt distress					
PARTNERSHIPS	<u>Finance</u> 17.5 Adopt and implement investment promotion regimes for least developed countries	NOT APPLICABLE				
	<u>Technology</u> 17.6 Enhance North-South, South-South and triangular regional and international cooperation on and access to science, technology and innovation and enhance knowledge sharing on mutually agreed terms, including through improved coordination among existing mechanisms, in particular at the United Nations level, and through a global technology facilitation mechanism					
PARTNERSHIPS	<u>Technology</u> 17.7 Promote the development, transfer, dissemination and diffusion of environmentally sound					

	technologies to developing countries on favourable terms, including on concessional and preferential terms, as mutually agreed					
	<u>Technology</u> 17.8 Fully operationalize the technology bank and science, technology and innovation capacity-building mechanism for least developed countries by 2017 and enhance the use of enabling technology, in particular information and communications technology	NOT APPLICABLE				
PARTNERSHIPS	<u>Capacity-building</u> 17.9 Enhance international support for implementing effective and targeted capacity-building in developing countries to support national plans to implement all the sustainable development goals, including through North-South, South-South and triangular cooperation	NOT APPLICABLE				
	<u>Trade</u> 17.10 Promote a universal, rules-based, open, non-discriminatory and	International trade	- To improve the international environment for Liberia's exports, the MOCI will advance Liberia's trade negotiations with the EU, WTO and other	- Time to export compared to time to import (days)	MOCI	

	equitable multilateral trading system under the World Trade Organization, including through the conclusion of negotiations under its Doha Development Agenda		trading partners. It will further the harmonization of tariffs with ECOWAS ⁴⁰¹	- Costs to export compared to costs to import (USD per container)		
PARTNERSHIPS	<u>Trade</u> 17.11 Significantly increase the exports of developing countries, in particular with a view to doubling the least developed countries' share of global exports by 2020	International trade Agriculture and food security Industrial development Regulatory environment Forestry	<ul style="list-style-type: none"> - Promote Liberian exports to international markets⁴⁰² - Facilitate exports (e.g. through special export processing zones, improved trade agreements, and training for entrepreneurs, including women)⁴⁰³ - Make customs and border-control measures more efficient⁴⁰⁴ - Increase integration of smallholder agriculture with domestic and international markets⁴⁰⁵ - Growth of industries producing competitive tradable goods⁴⁰⁶ - Enable Liberian products to be more competitive with imports and for export⁴⁰⁷ - Expand sustainably harvested forest flora and fauna for domestic and export markets, through improved user rights, increased community participation in decision-making and sustainable forest management⁴⁰⁸ 	<ul style="list-style-type: none"> - Time to export compared to time to import (days) - Costs to export compared to costs to import (USD per container) - Ratio of agricultural imports to total domestic agricultural consumption/ production of key commodities where Liberia strives for self-sufficiency resp. reduced import quantities 	MOCI MOA MOCI MOCI LC MOLME	
PARTNERSHIPS	<u>Trade</u> 17.12 Realize timely implementation of duty-free and quota-free market access on a lasting basis for all least developed countries, consistent with World	NOT APPLICABLE				

	Trade Organization decisions, including by ensuring that preferential rules of origin applicable to imports from least developed countries are transparent and simple, and contribute to facilitating market access Systemic issues Policy and institutional coherence					
	<u>Policy and institutional coherence</u> 17.13 Enhance global macroeconomic stability, including through policy coordination and policy coherence					
PARTNERSHIPS	<u>Policy and institutional coherence</u> 17.14 Enhance policy coherence for sustainable development					
	<u>Policy and institutional coherence</u> 17.15 Respect each country's policy space and leadership to establish and implement policies for poverty eradication and sustainable development					
	<u>Multi-stakeholder partnership</u>					

	17.16 Enhance the global partnership for sustainable development, complemented by multi-stakeholder partnerships that mobilize and share knowledge, expertise, technology and financial resources, to support the achievement of the sustainable development goals in all countries, in particular developing countries					
	<u>Multi-stakeholder partnership</u> 17.17 Encourage and promote effective public, public-private and civil society partnerships, building on the experience and resourcing strategies of partnerships	Power and energy Roads and bridges	<ul style="list-style-type: none"> - Improve energy policy with involvement of the government, private sector, CSOs and donors⁴⁰⁹ - Ensure participation of transport stakeholders and communities in road construction planning and monitoring to enhance accountability⁴¹⁰ 		LEC MOT NTA	
PARTNERSHIPS	<u>Data, monitoring and accountability</u> 17.18 By 2020, enhance capacity-building support to developing countries, including for least developed countries and small island developing States, to increase significantly the availability of high-quality, timely and reliable data					

	disaggregated by income, gender, age, race, ethnicity, migratory status, disability, geographic location and other characteristics relevant in national contexts					
	<u>Data, monitoring and accountability</u> 17.19 By 2030, build on existing initiatives to develop measurements of progress on sustainable development that complement gross domestic product, and support statistical capacity-building in developing countries					

Annex – Acronyms

AFT	Agenda for Transformation
CSA	Civil Service Agency
CSO	Civil Society Organization
ECCD	Early Child Care and Development
EPA	Environmental Protection Agency
GC	Governance Commission
GOL	Government of Liberia
INHRC	Independent National Human Rights Commission
LACC	Liberia Anti-Corruption Commission
LC	Land Commission
LEC	Liberian Electrical Corporation
LEITI	Liberia Extractives Industries Transparency Initiative
LIBTELCO	Liberia Telecommunications Corporation
LIPA	Liberation Institute of Public Administration
LTA	Liberia Telecommunications Authority
LWSC	Liberia Water and Sanitation Commission
MAC	Ministries, Agencies and Commissions
MOA	Ministry of Agriculture
MOCI	Ministry of Commerce and Industry
MOE	Ministry of Education

³⁵⁴ AFT, p. 89
³⁵⁵ AFT, p. 89
³⁵⁶ AFT, p. 89
³⁵⁷ AFT, p. 89
³⁵⁸ AFT, p. 122
³⁵⁹ AFT, p. 122
³⁶⁰ AFT, p. 122
³⁶¹ AFT, p. 122
³⁶² AFT, p. 122

³⁶³ AFT, p. 122
³⁶⁴ AFT, p. 122
³⁶⁵ AFT, p. 124
³⁶⁶ AFT, p. 124
³⁶⁷ AFT, p. 124
³⁶⁸ AFT, p. 123
³⁶⁹ AFT, p. 123
³⁷⁰ AFT, p. 121
³⁷¹ AFT, p. 121
³⁷² AFT, p. 121
³⁷³ AFT, p. 121
³⁷⁴ ESRP, p. 9
³⁷⁵ AFT, p. 124
³⁷⁶ AFT, p. 124
³⁷⁷ AFT, p. 121
³⁷⁸ AFT, p. 121
³⁷⁹ AFT, p. 124
³⁸⁰ AFT, p. 124
³⁸¹ AFT, p. 120
³⁸² AFT, p. 120
³⁸³ AFT, p. 120
³⁸⁴ ESRP, p. 9
³⁸⁵ AFT, p. 121
³⁸⁶ AFT, p. 146
³⁸⁷ AFT, p. 144
³⁸⁸ AFT, p. 103
³⁸⁹ AFT, p. 104
³⁹⁰ AFT, p. 102
³⁹¹ AFT, p. 145
³⁹² AFT, p. 55
³⁹³ AFT, p. 89
³⁹⁴ AFT, p. 85
³⁹⁵ ESRP, p. 9
³⁹⁶ AFT, p. 89
³⁹⁷ AFT, p. 89
³⁹⁸ AFT, p. 122
³⁹⁹ AFT, p. 122
⁴⁰⁰ AFT, p. 85

⁴⁰¹ AFT, p. 66

⁴⁰² AFT, p. 85

⁴⁰³ AFT, p. 85

⁴⁰⁴ AFT, p. 85

⁴⁰⁵ AFT, p. 88

⁴⁰⁶ AFT, p. 84

⁴⁰⁷ AFT, p. 84

⁴⁰⁸ AFT, p. 89

⁴⁰⁹ AFT, p. 86

⁴¹⁰ AFT, p. 87
